Courtleigh Place Philosophy

At Courtleigh Place we believe that children learn through play. Through play, children use their imaginations to the fullest and gain skills that will help them grow. We believe that children are entitled to opportunities that support their social-emotional, cognitive and physical development in an environment that supports active learning, independence, and respect for diversity. We recognize that these opportunities occur through children's daily routines which incorporate a balance of indoor and outdoor play, active play, rest and quiet time. Children's individual needs are considered and the program is adapted depending on the need of the child. This approach to learning is in accordance with the Ministry of Education, "How Does Learning Happen?" This document was created by the Ministry for the purpose of guiding Licensed Child Care Centres.

We have created warm and natural surroundings at Courtleigh Place so that the children feel safe and comfortable. Children are rich in potential; we encourage children to problem solve independently, thus creating a positive self-image, and a feeling of self-worth and competence. We encourage children to use self-regulation strategies to manage their emotions and behaviors. Strategies can vary from child to child. Some examples of strategies practiced at Courtleigh Place are modelling effective communication, deep breathing, suggesting a quiet space to reflect, expressing feelings through words and aiding the children through conflict resolution skills.

The staff document the children's interests and abilities and use their documentation to plan learning experiences, facilitate and extend child-initiated and adult-supported play. The learning experiences they provide, fosters children's exploration, meets the children's natural curiosity and are responsive to their needs which allow the children to succeed physically, intellectually, and socially. Developmental checklists are completed and reviewed with parents on an ongoing basis.

The staff at Courtleigh Place believes in the importance of their profession and value the importance of continual learning. Staff are given opportunities for professional development (i.e., First Aid/CPR training, WHIMS training, workshops related to child care) and receive annual performance reviews. We support staff in continuing their education through the Apprenticeship Program or taking courses to upgrade their skill and knowledge.

Courtleigh Place Child Care Centre is located in an area where a variety of cultures are represented, and these diverse cultures are intertwined in our daily program. We have created a respectful and welcoming place for all families. We enhance the children's understanding of their own culture and help them develop an appreciation for the diversity and uniqueness of others. We believe that becoming acquainted with and integrating into the surrounding community is another way that children become knowledgeable, tolerant, and social beings.

Parents are the most important people in a child's life, establishing positive, trusting relations between children, parents and staff are essential in delivering the best quality child care program and ensuring everyone feels a sense of belonging. We provide opportunities to ensure that information sharing takes place between parents and our staff through: daily communication, parent surveys, quarterly newsletters, and family events (i.e., summer BBQ, workshops, annual potluck and such). We welcome parent involvement in all aspect of our program. Our community workshops are held at the Centre and the topics are selected through parent questionnaires. The topics generally focus on parent issues and concerns.

At Courteligh Place we understand that children learn and develop at their own pace. We work closely with a resource educator from Adventure place who provides suggestions and support for the staff and parents of children requiring extra support. She will also make referrals to outside agencies, if necessary. Such agencies include Toronto Speech and Language.

Finally, we believe that every child and their families should have access to early childhood programs; where children learn to empathize with others, cooperate and share, express their thoughts and feelings, resolve conflicts; and develop self-competence, self-worth and self-regulation skills to help them through life.

1. Program Statement

Welcome to Courtleigh Place Child Care Centre. Courtleigh Place is a privately run child Care Centre located in the Graydon Hall area. Courtleigh Place opened its doors in 1998 and since then has been providing quality care for children from infancy through to Preschool.

We use a play based learning approach and view children as competent and curious learners who are capable of acquiring knowledge about the world around them through their interests and experiences. This approach to learning is in accordance with Ontario's Pedagogy for the Early Years, *"How Does Learning Happen?"*

As Early Childhood Educators, our role is to provide activities that support their development and ensure that children have opportunities to pursue their own interest, thus enabling their creativity as they learn.

6. Anaphylaxis Protocol

Courtleigh Place follows the Anaphylaxis Protocol to ensure the safety of all children with allergies in our programs. Upon registration, parents of children with a risk of an anaphylactic response will complete an Anaphylaxis Action Plan. Our Centre is a peanut-aware environment, and due to severe allergies and Public Health requirements, any outside food brought into the Centre must comply with the Centre's allergy restrictions, and special treats to be shared must include the manufacturer's list of ingredients.

7. Rest Period

It is a requirement that all children attending a licensed Child Care Centre have a rest period each day. It is not necessary for your child to sleep, but he/she will be encouraged to rest quietly on his/her cot during this time. Please refer to the **Sleep Safety Policy**.

8. Activities off the Premises

Throughout the year, walking trips will be taken to places of interest within our community. Parents will be given advance notice, indicating the date, time, and location.

Signed permission slips for the trip must be returned to the Centre to authorize the child's participation.

Please note: It is imperative that your child arrives at the Centre at the time specified on the trip permission form. Otherwise, you risk your child being left behind. In such a case, we would be unable to provide care due to strict ratio regulations governed by the Child Care Early Years Act.

9. Outdoor Program

It is our belief that the time spent outdoors is just as important and valuable as the time spent in the classroom, therefore, we bring the classroom outdoors. Please take the time to look at our outdoor program plans. In addition to the riding toys, balls, and climber, we offer creative, sensory, gross motor and other special activities for the week. The staff plan daily active physical play that meet the children's needs.

Communication about their child's well-being is important to parents. Parents will be informed regarding any incidents affecting their child's health, safety or well-being. If a child is injured, parents will be provided a copy of the Accident/ Incident Report.

11. Clothing and Possessions

Your child should be dressed in clothing suitable for physical activity, the weather, and the season. A second set of clothes should be kept at the Centre in case of accidents. Clothing should allow for self-dressing. All clothing should be labeled with your child's name.

Children are asked not to bring in toys from, to eliminate any potential conflict and the risk that they may get lost or broken.

Courtleigh Place is not responsible for lost or stolen items.

12. Parent Involvement

Ongoing communication between the teachers and the parents provides consistency, compatibility, and it enhances the children's experiences at Courtleigh Place.

We believe that Courtleigh Place is an extension of a child's home. We want to celebrate each child's uniqueness and by doing so, we are essentially celebrating your uniqueness as well. By bringing in items that reflect your lifestyle, culture, and family, it helps the child to identify him/herself in the child care setting and teaches other children tolerance and acceptance of the unique qualities of their friends. Therefore, we welcome items such as family pictures, fabrics and food that reflect what is eaten at home.

Whatever way you choose to involve yourself in our program, it will be acceptable; in day-to-day conversations with staff, attendance at Centre barbecues and potluck dinners, doing a cooking activity with the children, and/or helping out on field trips. Any level of involvement is encouraged!

13. Information Regarding Child Abuse

Duty to Report

In accordance with the *Child and Family Services Act*, it is the responsibility of every person in Ontario, including a person who performs professional or official duties with respect to children, to immediately report to a Children's Aid Society if he/she suspects that abuse has occurred or if a child is at risk of abuse. An individual's responsibility to report cannot be delegated to anyone else.

Failure to Report

It is an offense under the *Child and Family Services Act* for a professional to contravene one's reporting responsibilities. The penalty imposed (a fine of up to \$5,000) emphasizes that a child's safety must take precedence over all other concerns.

The person who suspects the abuse must call him/herself – do not ask anyone else to help you decide if a report should be made or to make the report for you. Do not discuss your suspicions with anyone else until you have spoken with a Children's Aid Worker.

If the child's religious affiliation is known, the report can be made directly to the society of the appropriate religious affiliation.

The Medication Dispensing Form advises the schedule that sets out the times the drug or medication is to be given and amounts to be administered; drugs or medication will be administered to a child only from the original container as supplied by a pharmacist or the original package and that the container or package is clearly labelled with the child's name, the name of the drug or medication, the dosage of the drug or medication, the date of purchase and expiration, if applicable, and instructions for storage.

16. Exclusion Policy and Procedures

The Child Care Early Years Act stipulates that prior to admission; each child must be immunized as recommended by the local Medical Officer of Health. Courtleigh Place requires that a medical certificate confirming a complete medical assessment be submitted upon admission. Regulations require outdoor play for each child; therefore, it is our policy that children who are too ill to play outdoors should remain at home. If a child becomes ill during the day, temporary care will be provided until you can be contacted and your child can be taken home.

The purpose of this policy is to identify the steps Courtleigh Place will take to exclude ill children or staff. The exclusion policy will take in effect if:

- a child has a legislated reportable-communicable disease, this child will be excluded from the program based on public health requirements. Please refer to the Toronto Public Health Guidelines for reportable-communicable diseases.
- the child has diarrhea more than once at Courtleigh Place, the child must stay at home until the symptoms of diarrhea have subsided for 24 hours without the use of anti-diarrhea medications.
- the child has more than one episode of vomiting during the day at Courtleigh Place, the child must stay home until vomiting has subsided for 48 hours or more without the use of medications such as Gravol.
- the child has a fever of 38 degrees Celsius or 100.4 degrees Fahrenheit, the child must stay home until the fever has stopped for 24 hours or more without the use of antipyretics such as: Tylenol or Aspirin.
- the child has pink-eye or ringworm, the child must stay home until the prescribed medication has been used for 24 hours.
- the child has an unexplainable rash, the child must stay home until the rash has disappeared, or until written approval to return to the Centre has been given by a physician.
- the child experiences respiratory symptoms such as shortness of breath or wheezing, with other respiratory symptoms, the child must stay home until the symptoms have ceased.

- a child has an illness that prevents them from participating in activities (i.e., there is a greater need for care than the staff can provide)
 - the illness poses a serious health risk if it spreads to others.
 - If a child becomes ill during the day, the child will be excluded temporarily until the caregiver can be contacted and the child taken home.
- ❖ ***The Director or Designated Person reserves the right to send a child home if he/she feels the child is too ill to stay in the Centre's care. If you are unable to pick-up your child then alternate arrangements need to be made.***

Immunization Requirements for Children

The Child Care and Early Years Act, requires that every licensee ensures that before a child is admitted to a child care centre, the child is immunized as recommended by the local medical officer of health. All children attending Courtleigh Place must submit proof of immunization, according to Ontario's Publicly Funded Immunization Schedule, or have a valid exemption on file.

Parents are required to provide updated proof of immunization every time the child is vaccinated. Children should receive their vaccinations according to their age. Children who do not have up to date immunizations or a valid exemption may be refused child care. The Centre Supervisor will update the child's file as required.

Immunization Requirements for Staff

The Child Care and Early Years Act, requires that every licensee ensures that, before commencing employment, every staff employed in each child care centre has a health assessment and immunization as recommended by the medical officer of health. The Centre Supervisor will collect and maintain the information in staff files.

Exemptions must now be documented using approved Ministry forms

- For medical exemptions, a legally qualified medical practitioner must complete the Statement of Medical Exemption Form
- Parents choosing not to immunize their children and staff who choose not to be immunized must submit a notarized Statement of Conscience or Religious Belief Affidavit
- In the event of an outbreak or case of vaccine preventable disease, children and staff who are not immunized may be excluded from the child care centre, in order to minimize the risk of spreading the disease

17. Sun Safety Policy

Children never seem to run out of energy. Play for them is not only a time to explore the world around them, but, is also a way in which they get exercise. During the summer it is expected that the children will spend a lot of their day outdoors. On days in which there is smog advisory and/or a heat alert, the following adjustments will be made to the children's schedule.

- Limited time will be spent outdoors.
- The children will play in shaded areas and/or water activities will be involved.
- Drinking water will be readily available to the children.
- Staff will reduce the level of activities while outdoors and encourage lots of rest breaks.
- The children's comfort will be monitored regularly

Courtleigh Place recommends that parents provide a labeled wide-brimmed sun hat for their child. Children must have sunscreen applied at home before their arrival to the Centre. The teachers will reapply sunscreen throughout the day when warranted. The brands most commonly used at the Centre are HEAT WAVE (SPF 30) and NO-AD (SPF-30). Upon enrollment, parents will be asked to sign a consent form for the application of sunscreen on their child.

A Smog Advisory means that there is a strong likelihood that there may be poor air quality within the next 24 hours due to ground-level ozone and/or fine particulate matter.

18. Confidentiality Policy

Children's records are confidential only authorized employees of Courtleigh Place Child Care Centre, Ministry of Community and Social Services, and the child's parents/ guardians will have access to these records.

Children vary in the amount of sleep they require, however, health experts agree that good habits, including established nap and bedtime routines help to ensure that young children get the amount of sleep they need for optimal development.

All staff, students and volunteers must review this policy with the supervisor or designate. A written record of the review must be signed by the supervisor or designate and all staff, students and volunteers prior to providing care to children and annually thereafter.

Courtleigh Place will review this policy annually to ensure that it is current. The policy must be signed by the Owner/ Operator who had knowledge of the review. The record will be kept on file for at least three years from the time of entry.

Direct Visual Checks

22. A staff member periodically performs a direct visual check of each sleeping child by being physically present beside the child while the child is sleeping and looking for indicators of distress or unusual behaviours; such as abnormal skin colouring, signs of irregular breathing, quality of sleep (i.e. sound sleep or restlessness) signs of elevated body temperature including flushed skin colouring and excessive sweating.

20. Admission and Withdrawal Procedures

The purpose of this policy is to ensure all staff members are aware of and adhere to

the expectations for the admission and withdrawal of children from Courtleigh Place Child Care Centre.

An interview will be arranged to familiarize you and your child with the surroundings, to answer questions, and complete admission forms prior to enrollment.

A security deposit of two weeks fees is required and will be applied to your last two weeks of care when you withdraw from the Centre.

For the first week, you are encouraged to stay with your child at the beginning of the day in order to reassure him/her and minimize fears until you and your child become more comfortable.

We require two weeks' notice in writing if a child is being withdrawn. If a child is withdrawn without notice, two weeks full fees will be required in lieu of notice. A permanent space cannot be guaranteed for a child temporarily withdrawn. The child will be placed on the waiting list. Subsidized children are required to come on their last day of care.

Prior to a child's admission the Centre Supervisor and the parent(s) will complete the "Registration Package", and review the "Parent Handbook".

As legislated in the Child Care Early Years Act, up to date immunization details must be provided by parents prior to admission.

Parents complete the "Agreement to Pay the Assessed Fee". The Supervisor will add date of admission, household identification number, and the name of the Child Care Centre.

Parents are informed upon admission that if a notice of withdrawal is not provided the parent may be charged 10 days full fee payment.

The Director and parents review the daily routines to determine if program adaptations, physical accommodations, feeding protocols, positioning, or if specialized equipment will be required.

Families whose children are in receipt of therapy treatments, such as IBI/OT, are informed that these treatments may be conducted at the Centre under the supervision of an RECE staff.

The Director will inform parents of the role of Special Services Resource Staff and available program supports.

The Director may seek additional support to ensure a child's placement is successful. These supports may include:

- Establishing a Service Agreement with the Special Services Resourcing staff.
- Discussing concerns and developing strategies in conjunction with the Program Staff.

The Director will provide a tour of the facility for the parents and their child/ren.

Withdrawal Procedures

When a child is withdrawn from care, the supervisor will complete a "Declaration of withdrawal from a child care program". The Supervisor will add this information to the "Centre update sheet" that is submitted to Head Office, (billing clerk). 21. Parent, Staff, Student And Volunteer Code Of Conduct

We all have the right to be safe and feel safe in our Child Care Community. The Courtleigh Place Child Care Centre Code of Conduct sets clear standards of behavior that apply to all individuals involved in our Centre.

These standards apply whether they are on Centre property or at Centre-sponsored events and activities.

All members have the responsibility to act as models of good behavior. Foul language (swearing, name-calling, shouting,) is not appropriate. Individuals engaging in such behavior will be asked to leave the premises immediately.

Inappropriate behavior or harassment of any kind towards a student, parent or teacher will result in immediate intervention up to and including the family's expulsion from the Centre and/or police intervention. This type of behavior includes but is not limited to harassment or intimidation by written note, email, words, gestures and/or body language.

No weapons are allowed on Centre property or at Centre functions. The consequences for failure to comply will include but is not limited to the family's expulsion from the Centre.

Alcohol and illicit drugs are not allowed on Centre property or at Centre sponsored events. The consequences for failure to comply will include but is not limited to the family's expulsion from the Centre.

The privacy and confidentiality of our parents, guardians, teachers, volunteers and students is important to us. All concerns and comments should be addressed with the teachers. Should this discussion not address your concerns, the next step is to review the situation with the Director. Failing resolution with the Director, the matter will be referred to the Owner/ Operator.

Gossip and public criticism are unacceptable. There should be no discussion of concerns with other parents in the Centre hallways, the parking lot or via electronic mediums such as Facebook, Myspace, Personal blog sites or other forms of electronic information sharing.

Any pictures taken at the Centre or during Centre events are for the private use of the family only. These pictures cannot be posted in on-line albums (i.e. Photobucket, Facebook, Myspace, etc.)

This code of conduct must be signed by any and all adults that will be involved in your child's experience at Courtleigh Place Child Care Centre including parents, grandparents, and any other care givers.

As part of your contract with Courtleigh Place Child Care Centre, Courtleigh Place reserves the right to withdraw or deny services if it is believed that the particular needs of your child or family cannot be appropriately met. Parents and children are required to sign that they understand and agree to follow the Code of Conduct.

The decision for suspension and/or withdrawal will be based on, but not limited to, the following types of incidents:

- Repeated physical acts against other children, staff, students and/or volunteers; including hitting, biting, or any other form of physical threat or assault.
- Verbal attacks on other children, staff, students and/or volunteer, which include the use of threats, name-calling, as well as repeated profane or degrading language.
- Racial or other discriminatory incidents.
- A child who leaves the Centre without permission and/or leaves the care of Centre staff on or offsite.
- Any verbal or physical abuse of staff by a child or child's family member.

We realize that occurrences and disputes will occur among children and it is not our intent to exclude children as a result of normal developmental incidents that assist them in acquiring problem-solving skills. However, as individual needs vary in terms of environment and program, some children may not benefit from the program offered in this Centre. We will make every effort to meet the needs of your child, which may require the assistance of an outside agency. If the behaviours still occur and it is still deemed that we are unable to meet the needs of you or your child, then services will be withdrawn, with approval from the Owner/Operator.

In extreme cases (as determined by the Director/Supervisor in consultation with the Owner/Operator) of violent or threatening behaviour by either a child, a parent or a caregiver where the safety of other children and/or Courtleigh Place staff are at risk, the two weeks' notice of withdrawal is waived.

The Director/Supervisor and the Owner/Operator (or Designate) will meet with the parent/caregiver immediately and the parent/caregiver will be required to withdraw the child from Courtleigh Place Child Care Centre at a time set by the Director in its sole discretion.

I have read the Code of Conduct and agree to terms as stated. I have been given the opportunity to review this document, ask questions if required, and confirm that no further clarification is necessary.

22. Supervision of Student and Volunteer Policy

Courtleigh Place Child Care Centre welcomes both placement students and volunteers into the programs offered at Courtleigh Place. Students and volunteers play an important role in supporting staff in the daily operation of child care programs.

The Centre's policy provides supervising staff, students and volunteers with a clear understanding of their roles and responsibilities.

The policy states that students and volunteers will always be supervised by an employee and never permitted to be alone with any child or group of children who receive child care. Students and volunteers are not included in staff to child ratios.

Before commencing a placement or volunteer experience at the Centre a vulnerable sector check (VSC) is required and annual offence declarations will need to be signed and kept on file for all students and/or volunteers in accordance with the child care centre's criminal reference check policy and procedures and Ontario Regulation 137/15.

23. Waiting List Policy

The purpose of the Waiting List Policy is to ensure a fair process is followed and communicated to all involved.

Policy

Courtleigh Place Child Care requires that every family interested in registering their child visit the Centre in order to make an informed decision. Interested families can come to see the Centre without an appointment; we welcome everyone to drop by anytime between 9am -5pm. There is no fee to place your child/ren on the waitlist.

When a space becomes available, the Supervisor will offer the space to the first child on the list below (in order of priority) and then proceed down the list until all available spaces are filled:

- 1) Needs of the Centre, taking age and Centre's vacancy into account
- 2) Children of Courtleigh Place staff
- 3) Children who currently have a sibling enrolled
- 4) Children returning to care after temporarily being withdrawn
- 5) Children that have been on Courtleigh Place waitlist or child/ren at the top of the subsidy waitlist or children transferring from another Centre

When a space becomes available, parents will be notified through the contact details that they have provided at the time of their Centre visit. Parents must respond by email or phone confirming acceptance of the space within two business days. It is strongly advised that you notify the Centre if you will be away from the city to leave an alternate method of contact to ensure you do not lose your position

on the list. If Courtleigh Place does not receive a response within this timeframe, the next family on the list will be offered the spot.

If a family is offered a space earlier than their requested start date, or it does not meet their criteria and they decline, they will maintain their spot on the waiting list and will be offered a space when another opening is available.

Parents may ascertain as to what position they are on the waitlist by contacting the Centre Supervisor who will advise their position. If a parent wishes to see the waitlist, the Supervisor will ensure that the names of other families are covered when viewing their position.

Waiting Times

Due to unpredictable variables, it is not possible for Courtleigh Place to approximate an entry date at the time of joining the waiting list.

Courtleigh Place encourages families on the waitlist to contact the Centre Supervisor prior to the requested start date in order to confirm that they are still interested in the Centre as a placement for their child/ren.

Courtleigh Place understands that plans and situations may change for families. If a family needs to adjust their original requested start date, they are requested to inform the Centre immediately.
